

SEAN P. DUNN & ASSOCIATES WELCOMES MARY CARROLL

Sean P. Dunn & Associates is pleased to announce its new affiliation with Mary Carroll, former State Chief Information Officer and Director of the Ohio Office of Information Technology.

Mary Carroll is a more than 30 year veteran of Ohio state government. She began her career with the state of Ohio while attending The Ohio State University. After graduating from Ohio State with a Bachelor of Science degree she continued to work with the state and held various positions first in policy development and then in technology. Notably she was with the Department of Administrative Services as the Deputy State Chief Information Officer for five years. In that capacity she was responsible

for, among other things, all state competitive procurement. For her final years of tenure with the state she was the Director of the Office of Information Technology and the State Chief Information Officer (CIO). In this capacity, in addition to the procurement responsibilities, she was responsible for state technology policy and architecture, the statewide data center and network, the principle sponsor of the state's ERP project and a member of the governor's cabinet. While Mary was the state of Ohio's CIO the Center for Digital Government ranked Ohio the third most digitally advanced state government in the nation - 2006. Additionally she was named as one of the "Top 25 Doers, Dreamers and Drivers" in Digital Government for 2006 by *Government Technology* magazine. Mary continues to live in Columbus in German Village and consults on government and non-profit organization issues.
